**PRESS RELEASE**

LEAVING CERTIFICATE EXAMINATION 2015

Almost 58,000 candidates receive results today

**12<sup>th</sup> August 2015**

The State Examinations Commission (SEC) congratulates the 57,929 candidates who sat the Leaving Certificate examination in 2015 and for which it is releasing figures today.

The statements of provisional results of this year's examinations are available in schools today. From midday, students who are not in a position to collect their results in person from their school can access them through the SEC's internet results service.

**General Overview of the Leaving Certificate**

The overall number sitting the examinations has increased by 1.6% from 56,990 candidates in 2014 to 57,929 in 2015. Of the 57,929 candidates who sat Leaving Certificate examinations this year, 55,045 candidates followed the Leaving Certificate (Established) programme, including 14,924 (25.8%) who followed the Leaving Certificate Vocational Programme. A further 2,884 (5%) candidates followed the Leaving Certificate Applied Programme.

The results obtained in most subjects this year are broadly in line with those of previous years.

**What Candidates Should Do Next**

Candidates are strongly advised to consult the *Leaving Certificate Candidate Information Booklet* that they have received earlier this year when deciding on their next course of action. (A copy of this booklet is available on the SEC website [www.examinations.ie](http://www.examinations.ie)) Candidates should adhere to the instructions provided in order to ensure that they lodge valid requests for viewing marked scripts and appealing results.

**Viewing of Marked Scripts**

This free service offers all candidates the opportunity to view one or more of their marked examination scripts and to see how the marking scheme has been applied to their work. This facility assists candidates in deciding whether or not to lodge an appeal against a result. With the exception of external candidates, all applications for Viewing

of Marked Scripts should be made through the candidate's school. The closing date for receipt of completed application forms in schools is **Tuesday, 18<sup>th</sup> August 2015**.

External candidates should follow the instructions that accompany their provisional statement of results. All candidates will have access to the Marking Schemes and will be able to see how they were applied in their case. The Viewing of Scripts will take place in schools on **Friday 28<sup>th</sup> August and Saturday 29<sup>th</sup> August 2015**.

### **Marking Schemes**

Marking Schemes in all Leaving Certificate subjects will be published and made available to schools to facilitate the Viewing of Marked Scripts. The marking schemes will also be available on [www.examinations.ie](http://www.examinations.ie).

### **Appeals**

School based candidates who wish to appeal should do so through their school. External candidates should follow the instructions that accompany their provisional statement of results. All appeal applications must be with the State Examinations Commission by 5pm on **Wednesday, 2nd September 2015**. Results of appeals will be issued in mid-October.

### **Admissions to Higher Education**

The SEC transmits the results of all candidates electronically to the Central Applications Office (CAO). This brings about the earliest possible issue of college place offers to candidates.

### **Chief Examiners' Reports**

Chief Examiners' Reports provide a review of the performance of candidates in the examinations and contain detailed analysis of all aspects of the examining process. They also contain recommendations for teachers and students and generally include examples of candidates' answers. There has been a difference in emphasis in the Chief Examiners Reports since 2013, which has linked the assessment objectives with the learning objectives outlined in the syllabi. Reports are published in a selected number of subjects and programmes each year. Following the 2015 examinations, Chief Examiners' Reports will be published in Mathematics, Arabic, Latin, Greek, Physics & Chemistry, Design & Communication Graphics, Business, Agricultural Science and LCVP. The reports are expected to be published early in 2016.

### **Leaving Certificate Applied Programme**

This year 2,884 students took their final stage examinations in the two year Leaving Certificate Applied (LCA) programme. LCA students have been building their credits right through the two years of their Leaving Certificate course, so today brings the final stage and full recognition of their achievements.

The results for LCA students differ from those of their counterparts in the established Leaving Certificate. Graduates from the LCA programme receive a single award made on the basis of credits accumulated over the two year cycle. This award is given at three levels, Pass for those students with total credits of 60% to 69%, Merit for 70% to 84%, and Distinction for 85% to 100%.

The numbers taking the LCA programme over the past five years and the grades awarded are shown in the following table.

<b>Year</b>	<b>Distinction</b>	<b>Merit</b>	<b>Pass</b>	<b>Record</b>	<b>TOTAL</b>

### **Leaving Certificate Vocational Programme**

The Leaving Certificate Vocational Programme (LCVP) is an optional, 2 year, academic and experience-based programme, available in 2 out of 3 post-primary schools. Candidates following the LCVP take a specified range of Leaving Certificate (established) subjects as well as a formal and practical programme called the Links Modules. The Links Modules consists of compulsory work experience and enterprise activity together with personal vocational exploration and substantial use of information technology.

The numbers taking the subject over the past five years and the grades awarded are shown in the following table:
