

Leaving Certificate Examination, 2017

Construction Studies - Practical Test
Ordinary Level and Higher Level

Instructions to Candidates

In order to ensure inter-candidate equity, all candidates must observe the following instructions during the examination:

1. Set out the work as shown in the drawing supplied.
2. Using only the **usual hand tools**, mark out, process and assemble the pieces.
3. Glue must not be used.
4. Use of machinery is **not allowed** - a battery powered screwdriver may, however, be used.
5. If you spoil a piece of wood, **you may not** have it replaced.
6. You may not communicate with any other candidate during the examination.
7. Write your examination number on each piece of material.
8. **You may not** bring a mobile phone, camera or any other recording equipment into the Examination Centre.
9. **Hand up the examination paper** to the Superintendent at the end of the examination.

Note:

If you use machinery, except a battery powered screwdriver, to process any part of the artefact during the examination you will lose marks under the relevant headings in the marking scheme.
