STATE EXAMINATIONS COMMISSION

PRESS RELEASE

LEAVING CERTIFICATE EXAMINATION 2007

54,000 candidates receive results today

15th August 2007

Figures released today by the State Examinations Commission (SEC) show that 53,926 candidates sat Leaving Certificate examinations in 2007. The statements of provisional results of this year's examinations are available in schools today. From midday, students who are not in a position to collect their results in person from their school can access them through the SEC's internet results service or by telephone.

The Chairman of the SEC, Mr Richard Langford, said, *"On behalf of the Commission I wish to extend warmest congratulations to all of the thousands of students receiving their results this morning. No one can deny that the Leaving Certificate examination is a demanding test of ability requiring dedication and hard work on the part of the student and the support and encouragement of those around them. The receipt of these results is an important milestone in life and those receiving results today should take pride in their personal achievements. We wish them well as they go on to further their studies or seek employment"*

Mr. Langford also paid tribute to all of the examiners, superintendents, principals, teachers and school personnel, and to the management and staff of the State Examinations Commission, for their hard work and commitment in the conduct of this year's examinations.

General Overview of the Leaving Certificate

The overall number sitting the examinations is down slightly on last year's number but only by less than half of one percent. Of the 53,926 candidates who sat Leaving Certificate examinations this year, 36,790 (68%) candidates followed the Established Leaving Certificate Programme, 14,080 (26%) the Leaving Certificate Vocational Programme while 3,056 candidates (6%) followed the Leaving Certificate Applied Programme.

Results obtained in most subjects this year followed broadly similar patterns to those of previous years. The detailed national results in all subjects for 2007 and a comparison with the results in 2006 and 2005 are appended to this press release.

Candidates are strongly advised to consult the *Leaving Certificate Results Appeal Process* booklet that accompanies their statement of provisional results when deciding on their next course of action. All candidates should adhere to the instructions provided in order to ensure that they lodge valid requests for viewing marked scripts and appealing

results. This information is also available in the Candidates section on our website; www.examinations.ie.

Marking Schemes

Marking Schemes in all Leaving Certificate subjects will be published and will be provided to schools to facilitate the Viewing of Marked Scripts. The marking schemes will also be available on www.examinations.ie.

Viewing of Marked Scripts

This free service offers all candidates the opportunity to view one or more of their marked examination scripts and to see how the marking scheme has been applied to their work. This facility should assist candidates in deciding whether or not to lodge an appeal against a result. With the exception of external candidates, all applications for Viewing of Marked Scripts should be made through the candidate's school. The closing date for receipt of completed application forms in schools is **Tuesday, 21st August 2007**. External candidates should follow the instructions that accompany their provisional statement of results. All candidates will have access to the Marking Schemes and will be able to see how they applied in their case. The Viewing of Scripts will take place in schools on **Friday 31st August** and **Saturday 1st September 2007**.

Appeals

School based candidates who wish to appeal should do so through their school. External candidates should follow the instructions that accompany their provisional statement of results. All appeal applications must be with the State Examinations Commission by 5 PM on **Wednesday, 5th September 2007**. Results of appeals will be issued in early October.

Admissions to Higher Education

The SEC transmits the results of all candidates electronically to the Central Applications Office (CAO). This brings about the earliest possible issue of college place offers to candidates.

Chief Examiners' Reports

Chief Examiners' Reports provide a review of the performance of candidates in the examinations and contain detailed analysis of all aspects of the examining process. They also contain recommendations for teachers and students and generally include examples of candidates' answers. Reports are published in a selected number of subjects and programmes each year. Following the 2007 examinations Chief Examiners' Reports will be published in the following subjects: Home Economics, Applied Mathematics, Agricultural Economics, Classical Studies, Music, Geography and Hebrew Studies. These reports are due for publication in 2008.

Leaving Certificate Applied Programme

This year, 3,056 students took their final stage examinations in the two year Leaving Certificate Applied (LCA) programme. LCA students have been building their credits right through the two years of their leaving certificate course so today brings the final stage and full recognition of their achievements.

The results for LCA students differ from those of their counterparts in the established Leaving Certificate. Graduates from the LCA Programme receive a single award made

on the basis of credits accumulated over the two year cycle. This award is given at three levels, Pass for those students with total credits of 60% to 69%, Merit for 70% to 84%, and Distinction for 85% to 100%.

The numbers taking the LCA programme over the past four years and the grades awarded are shown in the following table.

Year	Distinction	Merit	Pass	Record of Credits	TOTAL
2004	556	1,775	704	485	3,520
2005	474	1,721	644	479	3,318
2006	499	1,603	608	445	3,155
2007	569	1,532	522	433	3,056

Leaving Certificate Vocational Programme

The Leaving Certificate Vocational Programme (LCVP) is an optional, 2 year, academic and experience-based programme, available in 2 out of 3 post-primary schools. Candidates following the LCVP take a specified range of Leaving Certificate (established) subjects as well as a formal and practical programme called the Links Modules. The Links Modules consists of compulsory work experience and enterprise activity together with personal vocational exploration and substantial use of information technology.

The formal assessment of the Links Modules has two components:

- A centrally set written examination (160 marks), with video, case study and syllabus sections, taken nationally by all candidates normally on the first Wednesday in May. The 2007 examination was held on the 2nd May.
- A portfolio (240 marks) prepared by each candidate using agreed and published guidelines.

The Link Modules result can be substituted for a candidate's 6th subject in the Leaving Certificate for University and Institute of Technology CAO points purposes. A Distinction in the Link Modules merits 70 CAO points. A Merit is awarded 50 points and a Pass 30 points.

The numbers taking the subject over the past four years and the grades awarded are shown in the following table:

Year	Distinction	Merit	Pass	Un-graded	TOTAL
2004	1,450	6,482	4,147	1,486	13,565
2005	1,549	6,629	4,578	1,497	14,253
2006	1,568	6,343	4,548	1,568	14,023
