Use of an internet service for accessing Leaving Certificate examination results increased by more than 70% last year. The State Examinations Commission will re-launch the highly successful on-line results service at midday on Wednesday, 13<sup>th</sup> August, the same day that the results will be in schools. Candidates also have the option of accessing their results by telephone. These services are not intended to replace the valuable results service and advice provided to students by schools at results issue time.
