Leaving Certificate Examination 2012

Candidate regulations for:

Construction Studies
Design and Communication Graphics
Engineering
Technology

Coursework - Ordinary Level and Higher Level

1. The coursework you submit for assessment must be *your own individual work*.
2. To enable the teacher to validate your coursework for assessment, it must be completed *in school under the supervision of your class teacher*.
3. You must submit separate, distinct coursework.
This is to ensure inter-candidate equity and to assist in the processing of appeals.
4. In the case of repeat candidates, new coursework must be undertaken and presented for assessment.
5. The coursework must meet the requirements for coursework as specified in the appropriate syllabus documents and the subject-specific *Instructions to Candidates*.
6. When using research sources, including the Internet, the sources must be acknowledged.
Research material copied directly from the Internet or from other sources and presented as your own work will not receive any marks.
7. Where distinct similarities exist between candidates' coursework presented for assessment, marks will not be awarded for such coursework.
8. Your examination number must be clearly shown on all items presented for assessment.
9. All coursework must be completed by the date specified on the subject-specific *Instructions to Candidates*.

Note:

If you submit coursework which cannot be validated, you will not be credited with any marks for the coursework and further penalties may apply in accordance with the provisions of the Education Act, 1998.
