Marking Scheme

Note to teachers and students on the use of published marking schemes

Marking schemes published by the State Examinations Commission are not intended to be standalone documents. They are an essential resource for examiners who receive training in the correct interpretation and application of the scheme. This training involves, among other things, marking samples of student work and discussing the marks awarded, so as to clarify the correct application of the scheme. The work of examiners is subsequently monitored by Advising Examiners to ensure consistent and accurate application of the marking scheme. This process is overseen by the Chief Examiner, usually assisted by a Chief Advising Examiner. The Chief Examiner is the final authority regarding whether or not the marking scheme has been correctly applied to any piece of candidate work.

Marking schemes are working documents. While a draft marking scheme is prepared in advance of the examination, the scheme is not finalised until examiners have applied it to candidates' work and the feedback from all examiners has been collated and considered in light of the full range of responses of candidates, the overall level of difficulty of the examination and the need to maintain consistency in standards from year to year. This published document contains the finalised scheme, as it was applied to all candidates' work.

In the case of marking schemes that include model solutions or answers, it should be noted that these are not intended to be exhaustive. Variations and alternatives may also be acceptable. Examiners must consider all answers on their merits, and will have consulted with their Advising Examiners when in doubt.

Future Marking Schemes

Assumptions about future marking schemes on the basis of past schemes should be avoided. While the underlying assessment principles remain the same, the details of the marking of a particular type of question may change in the context of the contribution of that question to the overall examination in a given year. The Chief Examiner in any given year has the responsibility to determine how best to ensure the fair and accurate assessment of candidates' work and to ensure consistency in the standard of the assessment from year to year. Accordingly, aspects of the structure, detail and application of the marking scheme for a particular examination are subject to change from one year to the next without notice.

Section I

1. Benjamin

Moi je change très peu mes mots de passe car je ne suis pas sur les réseaux sociaux. Donc je prends moins de risque. Des fois, je me dis que je devrais changer le mot de passe de mon compte bancaire mais je suis assez optimiste.

2. Marine

Oui, pour le boulot on m'oblige à changer mon mot de passe chaque mois. Comme je n'ai pas une bonne mémoire, je choisis un mot de passe par période et j'utilise le même partout

3. Rémi

Les mots de passe, ça me casse les pieds. On nous en demande tellement, même sur les sites de vêtement(s). Pour moi ce qui est très difficile c'est de trouver plusieurs bons mots de passe et surtout de pas les confondre.

Section II

1. Dites-moi Estelle, qu'est-ce qui vous a attiré sur le ring?

Quand j'étais toute petite je faisais de la danse et de la natation mais ça m'a ennuyée. A 12 ans j'ai découvert la boxe : un vrai coup de foudre ! Pour moi tous les sports sont accessibles à tout le monde, homme ou femme, de n'importe quel âge.

2. La boxe est réputée être très dure, qu'est-ce que vous en pensez ?

Oui, je ne sors jamais d'un entraînement sans être épuisée. Parfois même, j'ai tellement mal partout que j'ai envie d'arrêter totalement. Après ces entraînements si durs les combats en compétition sont presque une récréation. Au début mon père avait très peur que je me blesse au visage mais quand je boxe je porte un casque, ce qui est obligatoire.

3. Parlez-moi de votre régime alimentaire.

Il faut y faire très attention. Je dois éliminer le sucre, les graisses et l'alcool. Quelquefois ce régime strict me met de très mauvaise humeur. Je ne dois impérativement pas dépasser 60 kilos, même de quelques grammes. Sinon je ne suis pas autorisée à combattre en compétition.

4. Et en plus vous êtes devenue ingénieure en 2015 ?

Oui, j'ai obtenu mon diplôme en ingénierie, et bien sûr je devais être très organisée. Les études me permettaient de couper avec la boxe et surtout de faire travailler mon cerveau !

Section III

- 1.** Sophie: Salut Christophe, ça va ? Quoi de neuf ?
- Christophe : Salut Sophie. Oui ça va. Je viens de retourner d'un voyage à New York.
- Sophie : A New York ! Tu as de la chance ! Tu es parti avec ta famille ?
- Christophe : Non pas du tout, je suis allé avec un groupe de jeunes. Nous avons gagné un concours organisé par l'Ambassade américaine. Trois professeurs nous ont accompagnés.
- Sophie : Vraiment ! Ça devait être incroyable ?
- Christophe : Oui, on a passé un mois dans un lycée américain et nous sommes restés dans un foyer pour étudiants tout près.
- 2.** Sophie : Tu as fait du progrès en anglais, alors ?
- Christophe : Bien sûr, j'en ai fait beaucoup. Au début c'était difficile mais on s'y est vite habitué.
- Sophie : Comment était le lycée ?
- Christophe : Il y avait des agents de sécurité dans tous les couloirs. Ils fouillaient nos cartables chaque matin à l'entrée. Après l'école il y avait beaucoup d'activités extrascolaires comme le sport.
- 3.** Sophie : tu t'es fait de nouveaux amis ?
- Christophe : Oui et je resterai en contact avec eux.
- Sophie : Tu as dû être triste en les quittant ?
- Christophe : Oui bien sûr. J'aurais aimé rester là-bas. Par contre, ce voyage m'a donné envie de découvrir d'autres pays comme l'Inde, la Nouvelle Zélande et la Croatie.
- Sophie : Je pourrai peut-être t'accompagner la prochaine fois?
- Christophe: Ce serait formidable !

Section IV

Laurent :

1. Le coût de la vie augmente mais pas les salaires. Je suis électricien depuis 20 ans et ça m'agace de ne pas pouvoir mettre de l'argent de côté à la fin du mois. Entre le prix de l'eau, de l'électricité et du gaz, on est juste à l'équilibre.
2. Si je gagnais 10% de plus j'achèterais une nouvelle camionnette. Celle que je conduis en ce moment est un vrai problème pour moi. Elle a douze ans et tombe régulièrement en panne. Ça peut mener à des heures de travail perdues.

Brigitte

3. Je suis infirmière à l'hôpital au centre-ville de Dijon. Je prends le tramway pour aller au travail. C'est très efficace et rarement en grève. Mon mari, Paul, est agent immobilier et il roule en scooter, c'est pratique et moins cher qu'une voiture.
4. Nous ne nous plaignons pas du coût de la vie à Dijon mais ce sont les impôts qui rendent notre vie parfois difficile. L'année prochaine nous espérons rénover notre maison. Avec 10% de plus, on pourrait acheter de beaux meubles, installer une cuisine moderne et remplacer les moquettes par des planchers en bois.

Section V

1. Le rappeur Booba a été cambriolé hier soir à son domicile. Les cambrioleurs sont entrés par une porte-fenêtre. Du matériel multimédia, des montres, des bijoux et de la bagagerie de luxe ont été dérobés. Une enquête judiciaire est en cours.
2. Un accident d'escalade s'est produit ce matin à Cauterets, impliquant un adolescent de 16 ans. Grièvement blessé suivant une chute de 20 mètres, **il a été transporté à l'hôpital** dans un état critique.
3. Un demandeur d'emploi a remporté 6 millions d'euros au loto. Il a coché sur la grille le numéro de téléphone de sa belle-mère. Il va partir en croisière en Méditerranée avec sa famille.
