PART I: LISTENING COMPREHENSION (140 MARKS)

If you have difficulty hearing the recording, raise your hand now to indicate to the Superintendent that the sound should be adjusted. Once the test proper has started you must not interrupt.

The test consists of four sections: - Section A: Dialogues; Section B: Announcements; Section C: News Item; Section D: Descriptive Passages.

SECTIONS A, B AND C

You will hear each item in these Sections three times. The first reading is to give you a general idea of the content and it is suggested that you listen carefully and do not write the answers. At the end of this reading you will hear two pips. At the end of the second reading you will hear two pips and this will be followed by a forty-second pause during which you should write the answers **in English** to the written questions in the spaces provided on the examination paper. The third reading is to give you an opportunity to revise your answers. It will be followed by a continuous tone which signals the end of the test on that particular item.
