

An Roinn Oideachais agus Eolaíochta

JUNIOR CERTIFICATE EXAMINATION 2002

Art, Craft, Design - *Drawing*

Ordinary Level

Wednesday, 8 May, Morning 9:30 – 12:30

100 marks are assigned to this paper.

Instructions to candidates

You are allowed to use colour if you wish and any suitable media:- e.g. Pencils, Pastels, Crayons, Pen and Inks, Paints, Markers, etc., or any combination of these.

Drawing sheets must not exceed A2 size.

Ensure that your examination number is clearly shown in the space provided.

There will be an interval of 30 minutes duration between the end of the first part of the examination and the commencement of the second part of the examination.

The time allowed for the drawing of human forms is one and a half hours, which includes all rest periods for the model.

During the examination the Superintendent will return the envelope containing your 2D project work to you. When the examination is completed, place your drawings in the Department of Education and Science envelope which already contains your project work, then seal the envelope.

You are required to make a study from either category **A** Natural Forms **OR** category **B** Man-Made Forms **AND** one study from category **C** Human Forms.
